Discounted tickets available for family and friends to join you at the game, as well.

The fun run event will begin and end with a staggered party in TENT TOWN – a fun, interactive area of vendors and games in the space outside the Left Field gate, created just for participants of this event, in waves, with food options, music and prizes after giving your best effort to run #SagerStrong. About the SAGERSTRONG Foundation The SAGERSTRONG Foundation was founded in 2016 by former Turner Sports Reporter and Hall of Fame Sportscaster Craig Sager and his wife Stacy, to fund and support blood cancer research and trials, so that one day, leukemia patients and their families will not have to go through the battle they endured. The Foundation has helped raise over 2.3 million dollars to help fund blood cancer research, including two clinical trials at MD Anderson Cancer Center in Houston, and now an extension of this research, through most recently, the virtual Conversation with a Living Legend event, supported by SagerStrong. These important trials support Dr. Naveen Pemmaraju's (Craig's doctor) research with current Myelofibrosis patients and patients with Advanced Myeloproliferative Neoplasms. For more information on these trials, research, the #SagerStrong Foundation and events, or to make a donation to support this important work, please visit sagerstrongfoundation.org.
