"It's our aspiration that further enhancing this car with the signatures of Craig's family, both on and off the court, will create an iconic piece of rolling memorabilia: a lighthouse of hope for those that knew and loved Craig."

The one-of-a-kind SagerStrong Bentley. Inspired by the jacket Craig Sager wore at the 2016 ESPYS, and created in his memory, this rolling piece of sports memorabilia is autographed by athletes and celebrities who knew and loved Craig, and auctioned off after the 2023 NBA All-Star game next year!

A true tribute to Craig, in the same path he traveled many times over the years, covering NBA basketball, the Naismith Hall of Fame enshrinements and others.
